

### 38. ANNIVERSARIES

On June 1st, five couples who live in Smallboro will celebrate their wedding anniversaries. Their names are Johnstone, Parker, Watson, Graves, and Shearer. The husbands' first names are Russell, Douglas, Charles, Peter, and Everett. The wives' first names are Elaine, Joyce, Marcia, Elizabeth, and Mildred. Keep in mind that no two couples have been married the same number of years. From the clues given, try to determine the husband and wife that make up each couple and the number of years they have been married.

- Joyce has not been married as long as Charles or the Parkers but longer than Douglas or the Johnstones.
- Elizabeth has been married twice as long as the Watsons but only half as long as Russell.
- The Shearers have been married ten years longer than Peter and ten years less than Marcia.
- Douglas and Mildred have been married for 25 years less than the Graves who, having been married for 30 years, are the couple who have been married the longest.
- Neither Elaine nor the Johnstones have been married the shortest amount of time.
- Everett has been married for 25 years.
